

Competency Unit / Training Program Overview

AHCPM201A – Recognise Plants

National Competency Standards: AHC10 - Agriculture, Horticulture and Conservation and Land Management Training Package (Release 8.0)

Competency Unit Number: AHCPM201A (Release 1)

Competency Unit Name: Recognise Plants

Unit Descriptor

This unit covers the process of recognising plants that are commonly encountered in horticulture or land management situations, and defines the standard required to:

- Inspect and research enterprise plants;
- Observe and record the habits;
- Characteristics and significant features of plants;
- Use available processes to recognise plants; and
- Update a plant reference collection.

Upon successful completion of the program, Participants will be deemed competent to:

- Prepare for plant recognition
- Recognise specified plants
- Update the reference collection

Application of the Unit

This unit involves collecting and documenting plant information and updating a plant reference collection.

Recognition

On successful completion of this unit of competency, participants will be issued with a Statement of Attainment.

Prerequisite Units

No pre-requisite training is required.

Program Duration

8 Hours + Completed Assignment

Participants will be notified of the associated scheduling in advance. This will occur after the learner cohort has been reviewed to identify individuals learning requirements.

Re-accreditation Timeframes

As determined by Employers WH&S Policies

Core Skills

To successfully complete this unit of competency, participants should possess the required level of core skills associated with reading, writing, and numeracy. The following are examples of core skills required for this unit.

Reading: Access, interpret and apply height safety procedures and ensure the work activity is compliant

Writing: Record information accurately and legibly

Numeracy: This program does not require the use of numeracy skills.

Wherever possible, our Program Facilitators will make reasonable adjustments for participants that require core skills assistance. InterLink Training can also confidentially provide written information on where support can be obtained to assist with core skills development.

Mode of Delivery

- Face to Face (Classroom)

Competency Assessment

Participants will be required to successfully complete a written assessment and submit an assignment to demonstrate they are competent in the application of this unit of competency.

Recognition of Prior Learning (RPL)

InterLink Training offers Recognition of Prior Learning (RPL) if an individual believes they can demonstrate they already hold the underpinning knowledge and skills contained in the unit of competency.

Personal Protection Equipment (PPE) Required

- Long sleeve Hi-Vis shirt and trousers
- Steel capped boots

Training Resources

InterLink Training provides the relevant training resources required to demonstrate competency.

Licensing / Regulatory Information

Not Applicable

Government Financial Support and Funding Subsidies

Government financial support and training subsidies are not available for this stand-alone unit of competency.

InterLink Training is not a VET FEE-HELP approved training provider

Special Access Needs

Please advise our Regional Coordinators when making a booking if you have any special needs in relation to access within our training facilities.

Disclaimer

Attendance at this program does not guarantee:

- A learner will successfully complete the training program:
- The training program can be successfully completed if it is undertaken in a manner that does not comply with the Standards for Registered Training Organisations (RTO's) 2015; *and*
- A learner will obtain a particular employment outcome where this is outside the control of InterLink Training
